

# Tree Frog in a Rainforest

**Main theme** - Start on A finger 2 with your right hand:

2 3 4 , 4 3 2 ,  
2 3 4 3 4 3 2

## Middle Section:

After the tambourine clicks 4 times then you can improvise (make up your own music).

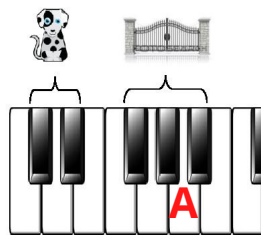

Add your thumb (finger 1) and little finger (finger 5) - you are now playing notes G,A,B,C,D.

Play any of these notes, along to the music.

- Think about varying your rhythms (sloths, snails, ducks, spi-ders)
- Add the notes G,A,B,C,D lower down the keyboard with your left hand - play both hands together

**Return to the Main theme** (after the tambourine clicks 4 times)- Start on A with your right hand. The last line slows at the end:

2 3 4 , 4 3 2 ,  
2 3 4 3 4 3 2
